Meth Lab Interdiction Training

Chino County Training Facility

Class being held on May 14 - 15, 2012

On May 14-15, 2012 the Meth Lab Interdiction Training will be offered at Chino County Training Facility. This is a 16-hour training program designed to prepare officers to identify hazards specific to each of the four meth labs operating in the United States. Your job requires a certain amount of risk already let us teach you reduce that risk with our training. Officers completing the training will be able to:

- **Recognize all four meth labs within 30 seconds**
- **Know the hazards specific to each meth lab**
- **Understand air quality concerns specific to meth labs**
- **Be able to articulate items visually identified in a meth lab site**
- **Understand specific scenarios in meth labs leading to the use of deadly force**
- **Identify equipment limitations, contamination, exposure and DECON**
- **Use robotically assisted 'clear' techniques when needed**
- **Identify meth lab items during traffic stops**
- **8 hours of practical hands-on training of traffic stops, role player interaction.**

Tuition includes all training material and supplies. This is a certification program.

Dates of Training: May 14 - 15, 2012.
Training Times: 0830-1700 hours
