# Meth Lab Tactical Entry Training

## Will be offered in Painesville Ohio on May 21-23, 2012

On May 21-23, 2012 the Painesville Police Department will be hosting the Meth Lab Tactical Entry Training in Painesville Ohio. This is a 24-hour training program designed to prepare officers to identify hazards specific to each of the four meth labs operating in the United States. It is not enough to just go through the door and hope nothing goes wrong! Let us train you to execute and survive the job. Officers completing the training will be able to:

- Utilize SWAT entry and survival techniques
- Recognize all four meth labs within 30 seconds
- Know the hazards specific to each meth lab
- Be able to perform pre-raid briefings
- Understand air quality concerns specific to meth labs
- Understand specific scenarios in meth labs leading to the use of deadly force
- Identify equipment limitations, contamination, exposure and DECON
- Use robotically assisted 'clear' techniques
- Identification of rescue techniques
- Conduct interviews of individuals for meth lab identification and assessment
- Understand the need for hale and breach techniques
- Make knowledgeable 'Hard Call' decisions confidently
- Provide debriefings and relinquish the site
